PROFESSIONAL SUMMARY

3rd Year B.C.A (AI & Data Science) student skilled in Python, AI automation, and smart system development, with hands-on experience in building practical AI projects like voice assistants and multi-AI systems.

EDUCATION

- B.C.A (AI & Data Science) — B.N.M.U (Bhupendra Narayan Mandal University) | 2023 – 2026 | GPA: 9.0
- 12th Board — Swami Vivekanand Inter College (Bihar Board) | 2023 | 66.6%
- 10th Board — Madhuram High School Gwalpara (Bihar Board) | 2021 | 71.6%

TECHNICAL SKILLS

- Programming: Python, C, C++
- AI / ML: Machine Learning, NLP, Intelligent Automation, LLM APIs, Voice Assistant Systems
- Web / App: React , Flutter
- Databases: SQLite, MySQL
- Automation / Tools: n8n, Git, GitHub, API Integration, Prompt Engineering
- Soft Skills: Problem Solving, Teamwork, Adaptability, Creativity, Research Mindset

KEY PROJECTS

- **MASS – Multi-Agent Smart System (Current Project)**
Building an advanced AI assistant similar to Alexa with continuous listening, system automation, app launching, reminders, emotion detection, and smart context-aware responses. Designed as a next-generation assistant for real-world productivity and automation. And automate system program.
- **Mini Power BI Dashboard [\[LIVE LINK\]](#)**
Built a mini Power BI-style dashboard using HTML, CSS, and JavaScript for interactive data visualization with charts, KPI cards, and dataset preview.
- **TuneNest – Modern Music Player [\[LIVE LINK\]](#)**
Designed a modern music player interface and functionality-focused application with improved user experience and media handling.
- **DivyaKatha – Stories of the Four Yugas [\[LIVE LINK\]](#)**
Built a thematic storytelling project focused on presenting the stories of the four Yugas in an engaging and structured format.
- **CyberCafeDeals – Free Learning & AI Tools Hub [\[LIVE LINK\]](#)**
CyberCafeDeals is a curated resource platform built using Google Forms that provides a collection of free books, AI tools, study materials, and useful helper websites. Designed especially for students and cybercafé users to quickly access learning resources, productivity tools, and digital utilities from a single place.

ACHIEVEMENTS, CERTIFICATIONS & LEARNING

- Appointed as the Class Representative (CR) for the 5th Semester, demonstrating leadership, responsibility, and effective communication skills. [\[View link\]](#)
- Certificates :- [Claude code](#) , [Google Technical](#) , [Microsoft](#) , [Aws](#) , [SkillsVarz](#) , [Ready Tensor](#)
